

Zener Diodes

General-purpose use for DC Voltage Regulation in AC-to-DC bridge full wave rectification for Monitor, TV, Printer, Switching Mode Power Supply, Adapter, Audio equipment, and Home Appliances applications.

- GSIB-3G Case Epoxy Meets UL 94 V-0 Flammability Rating Matte Tin Plated (E3 Suffix) Terminals Leads Polarity Marked on Body

DO-35 Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various DO-35 zener diode models and their specifications.

SOT-23 Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various SOT-23 zener diode models and their specifications.

DO-41 Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various DO-41 zener diode models and their specifications.

SOD-123 Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various SOD-123 zener diode models and their specifications.

SOD-80 Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various SOD-80 zener diode models and their specifications.

DO-214AC Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various DO-214AC zener diode models and their specifications.

DO-213AB Package

Table with 6 columns: Stock No., Mfr.'s Type, Zener Voltage (V), Max. Zener Current (mA), I_R (µA), EACH. Lists various DO-213AB zener diode models and their specifications.
