

Power AF transistors

BD

Transistors AF de puissance - NF-Leistungstransistoren

Table with columns: TYPE, RATINGS (at Tcase = 25°C, unless otherwise stated), CHARACTERISTICS (at Tcase = 25°C, unless otherwise stated), P O U T L I N E S, and N O T E S. Rows include transistor types like BD175, BD176, BD177, BD178, BD179, BD180, BD181, etc., with various electrical parameters.
